

Bowlegs Public Schools will conduct an open hearing on Indian Policies and Procedures on Monday, December 18, 2018, at 5:00 p.m. in the library.

The purpose of the hearing is to insure that all policies continue to meet federal requirements under the Title VII Impact Aid Application and provide for an adequate level of participation by the Indian tribe and parents of children living on tribal lands.

This is an open meeting and interested individuals may present oral or written statements concerning the Impact Aid application for the 2018-19 school year and how funds and services are expended and provided. Copies of the Indian Policies and Procedures may be reviewed on our website prior to the meeting.
